Subject: For tomorrow - authorization to concur on Criminal Intent Proposed Rule?
Attachments: NPRM Final Draft Criminal Intent Standard 11.20.2020_sak.docx

David,

Jess Kramer has asked for OGC's concurrence on the Criminal Intent Proposed Rule, attached, by tomorrow. It is identical to the version that you reviewed and signed off on a week or two ago, except that OW made a few formatting corrections and I have proposed one minor grammatical correction.

Do you authorize us to concur for OGC on the draft criminal intent rule?

Please let us know if you have any questions or concerns. Thanks for your attention.
